

# SUMMIT

**BestHorsePractices**  
Balancing Sense & Science

**October 8-10, 2017**

## **Advancing ideas to improve the horse-human connection**

Be part of a new, ground-breaking conference for discerning horse owners and riders.

The BestHorsePractices Summit fills the need for a common sense, research-supported conference to improve horse-human connections. The Summit strengthens links between equine research and horsemanship circles by highlighting the practical and academic strategies that make horses' lives better.

With presenters Warwick Schiller, Wendy Williams, Jim Thomas, Martin Black, Dr. Sheryl King, Dr. Steve Peters, and more to be announced.

At the historic Strater Hotel & Theater in Durango, Colorado.

With added presentations including a Rider Strength and Balance class and a round table discussion of the Tom and Bill Dorrance legacy, emceed by protégé Randy Rieman.

Sponsorship opportunities available.

The BestHorsePractices Summit, Inc. is a Colorado non profit organization with pending 501 (c)(3) status.
